

## **Follow-up Activity for Elementary School Students**

### **Directions:**

Teachers, you may want to use this as a follow-up to our presentation. Ask your children the following questions.

### ***WHAT WOULD YOU DO IF....***

1. Your puppy just ran away and a neighbor you have never talked to before asks you to come over and take one of their puppies....
2. You are “trick or treating” and the people in an unfamiliar house ask you to come inside to get more candy....
3. You are lost in a shopping mall and a stranger says, “Come with me.”....
4. You answer the phone and someone says yucky things to you....
5. You have a new babysitter who wants to take a bath with you....
6. There is a family member who always puts their arms around you and you don’t like it....
7. Your mom’s/dad’s/guardian’s friend talks about private parts and it makes you feel yucky....
8. You are at a public bathroom and a man traps you and shows you his private parts....
9. You are walking home from school and a woman stops her car and tells you your mom/dad/guardian sent her to pick you up....
10. You are wrestling with your older cousin and he tries to touch you underneath your clothes....
11. Your friend’s dad shows you pictures of people who aren’t wearing any clothes....

12. You're too afraid to tell anyone that someone touched your private parts and it was not to keep you clean or healthy...
